Celebrating Our 32nd Year

A Publication of the California State Auctioneers Association

First Quarter, 2000

CSAA State Champion

Johan Graham

The 1999/2000 California State Auctioneers Association, Bid Calling Contest, enjoyed an excellent field of contestants, the enthusiasm was high, and the judging was difficult. When the scores were counted, **Johan Graham** of Apple Valley, California was the clear winner. Johan has been in the auction business several years and provides auction services in the areas of livestock, farm equipment, vehicles and charity auctions. She is employed by Euclid Stockyard. Besides her 1st Place trophy, Johan received a silver belt buckle and will have her entry fee paid for the National Auctioneers Association, International Bid Calling Contest to be held in Norfolk, Virginia in July, 2000.

CSAA Hall of Fame

Leroy "Roy" Blum

The California State Auctioneers Association proudly inducted into the CSAA "Hall of Fame" its first two members **Leroy "Roy" Blum**, Elk Grove, Calif., and **Edmond "Ed" Huisman**, Galt, Calif. These two long time professional auctioneers were overwhelming choices for induction. Over 60 years of auction experience between them, both men are past presidents of the association and their accomplishments are too numerous to list. Their many years of unselfish dedication, professionalism, and commitment to excellence as auctioneers have placed them in

Edmond "Ed" Huisman

the forefront of our profession. A standing ovation greeted our two inductee's from the convention floor and family members joined them at the podium. The board of directors and membership congratulate these two professionals who have made a positive impact on the California State Auctioneers Association and the auction industry in general. Calvin Coolidge once said "No person was ever honored for what he received. Honor has been the reward for what he gave." Both of these professional auctioneers have given much to our profession, industry, and association, and as such it is only fitting that they hold a place in our Hall of Fame. They have set the standard by which future inductee's will be measured. Congratulations to both men.
