

# GOING, GOING ... GONE TO THE FAIR

By Elisabeth Deffner / For the Yorba Linda Star

Bailey Bonet remembers that last year, when she took her first lamb for a walk so it could get some exercise, she got some unexpected reactions from inline skaters rolling down the same path.

"Is that a dog?" they asked incredulously.

Yorba Linda resident Bonet, 12, showed her second lamb at the Orange County Fair on Saturday.

Over these two years, she's heard a number of strange reactions to her animal-rearing. Sometimes, she says with a laugh, people ask if she lives on a farm.
